To the extent that Apple makes available any products or product information, you understand that Apple is under no obligation to provide updates, enhancements, or corrections, or to notify you of any product changes that Apple may make.
- 5. Confidential Information.** You agree that all information disclosed by Apple to you that relates to Apple’s products, designs, business plans, business opportunities, finances, research, development, know-how, personnel, or third-party confidential information disclosed to you by Apple, will be considered and referred to collectively as “Confidential Information.” Confidential Information, however, does not include: (a) information that is now or subsequently becomes generally available to the public through no fault or breach on your part; (b) information that you can demonstrate to have had rightfully in your possession prior to disclosure to you by Apple; (c) information that is independently developed by you without the use of any Confidential Information; (d) information that you rightfully obtain from a third party who has been given the right to transfer or disclose it by Apple; or (e) any third party software and/or documentation provided by Apple and accompanied by licensing terms that do not impose confidentiality obligations on the use or disclosure of such software and/or documentation, for example, software governed by the GNU General Public License (“GPL”). 8. Third Party Software & Information. Third party software provided by Apple to you under the ADC program may be accompanied by its own licensing terms, in which case such licensing terms will govern your use of that particular third party software. For example, GPL-licensed components provided to you by Apple are covered by the GPL and not by this Agreement. Mention of third parties and third party products in any materials, advertising, promotions or coupons provided to program members is for informational purposes only and constitutes neither an endorsement nor a recommendation. All third party product specifications and descriptions are supplied by the respective vendor or supplier. Apple assumes no responsibility with regard to the selection, performance, or use of these vendors or products. 15. Choice of Law. This Agreement will be governed by and construed in accordance with the laws of the State of California, as applied to agreements entered into and to be performed entirely within California between California residents. The parties further submit to and waive any objections to personal jurisdiction of and venue in any of the following forums: U.S. District Court for the Northern District of California, California Superior Court for Santa Clara County, Santa Clara County Municipal Court, or any other forum in Santa Clara County, for any litigation arising out of this Agreement. This Agreement will bind your successors but may not be assigned, in whole or part, by you without the written approval of an authorized representative of Apple. Any non-conforming assignment shall be null and void.

**PROTOTYPE LICENSE AND CONFIDENTIALITY AGREEMENT
TERMS AND CONDITIONS**

1. Prototype License Grant. Subject to your compliance with the terms and conditions of this Agreement, Apple hereby grants you a nonexclusive, nontransferable right and license to use certain Apple pre-release software and related documentation and information (collectively the “Prototype”) as identified in an appendix to this Agreement, including but not limited to an appendix appearing with the software on a website for downloading, but only for the limited purposes set forth in this Section 1. You agree not to use the Prototype for any purpose other than: (a) the testing of the Prototype, and (b) the development by you of a product designed to operate in combination with the same operating system for which the Prototype is designed, so long as you do not violate any of Apple’s intellectual property rights, including for example and without limitation, trade secrets, patents, copyrights, trademarks and industrial design in developing such product. This license does not grant you any right to incorporate or make use of any Apple intellectual property in any such product. Except as expressly set forth herein, no other rights or licenses are granted or to be implied under any Apple intellectual property. If you test the Prototype, you agree to do so diligently and to complete and promptly return progress and error reports supplied by Apple.

2. Definition of Confidential Information. You agree that the Prototype and any information concerning the Prototype, including its nature and existence, and any other information disclosed by Apple to you, including but not limited to information learned by you from Apple employees, agents or through inspection of Apple’s property, that relates to Apple’s products, designs, business plans, business opportunities, finances, research, development, know-how, personnel, or third-party confidential information disclosed to you by Apple, will be considered and referred to collectively in this Prototype and Confidentiality Agreement as “Confidential Information.” Confidential Information, however, does not include: (a) information that is now or subsequently becomes generally available to the public through no fault or breach on your part; (b) information that you can demonstrate to have had rightfully in your possession prior to disclosure to you by Apple; (c) information that is independently developed by you without the use of any Confidential Information; (d) information that you rightfully obtain from a third party who has the right to transfer or disclose it; or (e) any third party software and/or documentation provided by Apple and accompanied by licensing terms that do not impose confidentiality obligations on the use or disclosure of such software and/or documentation, for example, software governed by the GNU General Public License. All Confidential Information remains the sole property of Apple. You have no implied licenses or other rights in the Confidential Information not specifically granted in Section 1.

3 Nonuse and Nondisclosure of Confidential Information. You agree not to disclose, publish, or disseminate Confidential Information to anyone other than (a) those of your employees and contractors with a demonstrable need to know who have binding, written, confidentiality obligations to you that protect such Confidential Information against unauthorized disclosure, or (b) other employees and contractors working for the same entity as you who have themselves entered into a Prototype License and Confidentiality Agreement with Apple including any appendices or additional licenses accompanying the Prototype. You agree not to decompile, reverse engineer, disassemble or otherwise reduce the Prototype to a human-perceivable form, and you will not modify, network, rent, lease, or loan the Prototype in whole or in part. You further agree to take reasonable precautions to prevent any unauthorized use, disclosure, publication, or dissemination of Confidential Information. You agree to accept Confidential Information for the sole purpose of effecting the permitted uses of the Prototype as set forth in Section 1 above. You agree not to use Confidential Information otherwise for your own or any third party’s benefit without the prior written approval of an authorized representative of Apple in each instance.

4. Storage of the Prototype. You agree to restrict access to the Prototype so that only those employees and contractors entitled to view such Prototype under the terms of Section 3 above may see or use the Prototype. You further agree to maintain an accurate log of all those given access to the Prototype by you. You may make only as many copies of Prototype software and documentation as are reasonably necessary to effectuate the permitted uses of the Prototype listed in Section 1. You must preserve any proprietary rights notices on the Prototype and must place all such notices on any copies made.

5. Verification of Compliance. You agree that authorized Apple representatives, with 24 hours advance notice, may inspect the location where the Prototype is stored, the Prototype and copies of other Confidential Information and your Prototype access log during your normal business hours in order to verify that you are complying with your obligations under this Agreement.

6. No Warranty. The Prototype may be designated as alpha, beta, development, pre-release, untested, or not fully tested. The Prototype may contain errors that could cause failures or loss of data, and may be incomplete or contain inaccuracies. You expressly acknowledge and agree that use of the Prototype is at your sole risk. THE CONFIDENTIAL INFORMATION, INCLUDING THE PROTOTYPE, IS PROVIDED "AS IS," AND WITHOUT ANY WARRANTY, WHETHER EXPRESS OR IMPLIED, AS TO ITS PERFORMANCE, ACCURACY OR COMPLETENESS. You acknowledge that Apple has not promised or guaranteed to you that the Prototype will be publicly announced or made available to anyone in the future, and that Apple has no express or implied obligation to you to announce or introduce the Prototype or any similar or compatible product, or to continue to offer or support the Prototype in the future.

7. Equitable Relief. You hereby acknowledge that unauthorized disclosure or use of Confidential Information could cause irreparable harm and significant injury to Apple that may be difficult to ascertain. Accordingly, you agree that Apple will have the right to obtain immediate injunctive relief to enforce obligations under this Agreement in addition to any other rights and remedies it may have.

8. No Export. You agree that you will not export or reexport any of the software or Confidential Information received from Apple (a) into (or to a national or resident of) any U.S. embargoed countries (currently Cuba, Iran, Iraq, Libya, North Korea, Serbia, Sudan, Syria or the Taliban Controlled areas of Afghanistan); or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the Confidential Information, you represent and warrant that you are not located in, under control of, or a national or resident of any such country or on any such list.

9. Term and Termination. This Agreement will continue in effect until terminated in accordance with this Section. You may terminate this Agreement or an individual seeding project at any time, for any reason, but only by returning to Apple: (a) the Prototype and all extant copies of other Confidential Information on any tangible medium, and (b) a written certification by an authorized representative of yours that all tangible copies of the Prototype and any other Confidential Information have been returned to Apple or completely destroyed and that all electronic memories have been purged of any Confidential Information. Apple may terminate this Agreement or an individual seeding project at any time, with or without cause, immediately upon written notice to you, and may terminate this Agreement immediately for any breach of the confidentiality provisions set forth herein. Within seven (7) days of your receipt of Apple's termination notice, or earlier if requested by Apple, you will return the Prototype and all other Confidential Information as provided in this Section. All of your obligations under this Agreement will continue to bind you until you have fully complied with the foregoing requirements of this Section concerning the return of Apple materials.

Following termination of this Agreement or an individual seeding project for any reason, the provisions of Sections 2-15, inclusive will continue to bind the parties.

10. Disclaimer of Liability. UNDER NO CIRCUMSTANCES SHALL APPLE BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, DAMAGES RESULTING FROM DELAY OF DELIVERY OR FROM LOSS OF PROFITS, DATA, BUSINESS OR GOODWILL, ON ANY THEORY OF LIABILITY, WHETHER ARISING UNDER TORT (INCLUDING NEGLIGENCE), CONTRACT OR OTHERWISE, WHETHER OR NOT APPLE HAS BEEN ADVISED OR IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES.

11. No Waiver or Assignment. No delay or failure to take action under this Agreement will constitute a waiver unless expressly waived in writing, signed by a duly authorized representative of Apple, and no single waiver will constitute a continuing or subsequent waiver. This Agreement will bind your successors but may not be assigned, in whole or part, by you without the written approval of an authorized representative of Apple. Any non-conforming assignment shall be null and void.

12. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of California, as applied to agreements entered into and to be performed entirely within California between California residents. The parties further submit to and waive any objections to personal jurisdiction of and venue in any of the following forums: U.S. District Court for the Northern District of California, California Superior Court for Santa Clara County, Santa Clara County Municipal Court, or any other forum in Santa Clara County, for any litigation arising out of this Agreement. If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this Agreement shall continue in full force and effect.

13. Government End Users. If the Prototype is supplied to the United States Government, the Prototype is classified as "restricted computer software" as defined in clause 52.227-19 of the FAR. The United States Government's rights to the Prototype are as provided in clause 52.227-19 of the FAR.

14. Agreement in English. The parties hereto confirm that they have requested that this Agreement and all attachments and related documents be drafted in English. Les parties ont exigé que le présent contrat et tous les documents connexes soient rédigés en anglais.

15. Complete Understanding. This Agreement (including all attachments and all licenses accompanying the Prototype) constitutes the entire agreement between the parties with respect to and supersedes all prior or contemporaneous understandings regarding such subject matter. No addition to or removal or modification of any of the provisions of this Agreement or the attachments will be binding upon Apple unless made in writing and signed by an authorized representative of Apple. Any inconsistencies between this Agreement and any license accompanying the Prototype will be governed by the license agreement accompanying the Prototype.
